

The National Library E-Resources

The National Library (Perpustakaan Negara Malaysia) has developed an e-resources platform, <https://pnm.overdrive.com/>. Users can gain access to more than 16,000 e-books from various subjects published by local and international publications.

Those who are interested can register at <https://www.u-library.gov.my/portal/web/guest/registration> to obtain an ID and password for access. A maximum of 10 e-books can be borrowed at any one time for duration of 7 days.

Kindly follow these guidelines:

1. Select e-books and click “borrow” then choose to “read now from browser”
2. Choose/click “offline access” and “download to browser”
3. Go back to “loan” to return back the e-books
4. Now you can read the downloaded e-books offline.

Mobile users can access the site using the PNM eReader apps available from Google Play and App Store.
