Total Number of pages = 3 (Including the cover page)

PART A : ESSAY QUESTIONS (100 MARKS)

INSTRUCTION(S) : Answer all **FIVE (5)** questions. Write your answers in the Answer Booklet(s) provided.

Question 1

You have just been appointed as the marketing manager of a major food retail chain. You have a talk with the managing director and propose to develop a three-year strategic marketing plan. He gives a cynical smile and says; “You must be joking. This business changes so fast we have no time for planning....anyway, I’m not convinced of its value”.

To convince him, outline a model of the marketing planning process with a detailed analysis that creates exchanges and provide value to both the marketer and the customer.

(20 marks)

Question 2

For high-involvement purchases, consumers are more likely to carefully process all the available information and to have thought about the decision well before they buy the item.

Critically analyse the importance of values creation in the **FIVE (5)** steps of consumer buying process of a high-involvement product of your choice.

(20 marks)

Question 3

As Marketing Manager of a fast growing company producing alcoholic and non-alcoholic beverages, you have been asked to advise the Management team on the key decisions in relation to managing company’s products. You decide to prepare a brief report outlining the stages of Product Life Cycle (PLC) and discuss their implications for managing the company’s marketing operations with respect to its products.

Write your report.

(20 marks)

Question 4

The owner of a medium-sized bakery shop is anxious to spend his promotion budget effectively. Because you are a graduate from Berjaya University College MBA programme, he has turned to you for consultation on the tools available for promoting the bakery shop.

Write a brief report giving your client some evaluation on the pros and cons of the **FIVE (5)** unique promotional tools respectively.

(20 marks)

Question 5

“Brand management is primarily concerned with making decisions to build, eliminate, reposition and revitalise brands.”

Critically discuss this statement, fully illustrating your argument with appropriate examples to support your discussion.

(20 marks)
