“Jetstar’s 10-point Customer Guarantee (see below) crystallises what the airline needed to focus on delivering to customers, and also ensures customers know our commitment to them.”

Mr Buchanan said the *Jetstar Customer Guarantee* followed over twelve months of hard work to build and improve upon Jetstar’s capability around customer resolution and recovery, tools to improve information flow to customers, increased resourcing to resolve customer issues in a timely manner and an overarching staff engagement and customer service training program.
